

Ambassador Elite **COMPANY PROFILE**

North Central Insulation is a family owned and operated company proudly serving the Midwest since 1969, providing proven-quality products and dependable service for new construction and reroofing projects. The company has a long tradition of serving the roofing needs of educational, commercial, industrial, and agricultural facilities throughout the Midwest. They take great pride in their commitment to quality products, perfect installations, reliable customer service, and satisfaction after the installation.

North Central Insulation also provides preventative maintenance programs to maximize the life of every roof. Their experienced team and roofing crews are technically trained for each product and system they install, ensuring top-notch quality that adheres to manufacturers' requirements. Their diversity, resources, capabilities, investments in state-of-the-art equipment, and alignment with suppliers illustrate their dedication to customers and differentiate North Central Insulation from their competition.

Carlisle Roof Foam and Coatings (CRFC) is a part of the Carlisle family of companies. CRFC offers a broad range of acrylic and silicone roof coatings and spray polyurethane foam (SPF) insulations for commercial roofing applications. CRFC's SPF roofing systems provide a long-term, sustainable solution and are seamless, watertight, and virtually maintenance-free. Acrylic and silicone coatings are used as a component of SPF roofing systems and can also be used as standalone products to restore existing aged roofs.

Ambassador Elite Award

Carlisle Roof Foam and Coatings has presented North Central Insulation with the Ambassador Elite Award, which is determined by meeting exceptional installation standards and recognizes only CRFC's most dedicated and quality-minded contractors. Ambassador Elite members exhibit a level of workmanship that is outstanding in the roofing industry and take part in continuing hands-on education and training programs to ensure they understand the latest roofing products, technologies, and procedures from Carlisle. Elite status is an acknowledgment that North Central is among the best roofing contractors in the country.

As a CRFC SPF and coatings applicator, the experts at North Central have demonstrated their expertise, experience, and knowledge with the full CRFC product line. North Central underwent extensive training conducted by CRFC that covers all aspects of roofing installations and maintenance.

Here's what North Central customers have to say:

“ Our operations are located right on the shores of Lake Michigan, providing us with some of the nation's most severe weather conditions. Despite the yearly thermal shock, our SPF roofs continue to keep us weather-tight on over a million square feet of roof area. ”

James Rumford, Maintenance Foreman, OMC Facilities Waukegan, IL

“ St. Croix County was very pleased to contract with North Central Insulation... we have never worked with a finer company. We believe that we have the best roofing system that money can buy and are looking forward to many years of trouble-free service from our roof. ”

Ralph W. Robole, Facilities Manager, St. Croix County Wisconsin
